

HVAC Technician

Proulx Oil & Propane is a family-owned, locally trusted company with over 82 years of service in New Hampshire, Southern Maine and North Shore Massachusetts. As our service department continues to grow, we are looking for reliable HVAC Service Technicians to join our team.

PLEASE NOTE: Only applicants that have a current NH Gas License and are graduates of an accredited trade school with 1-3 years' experience will be considered. Must be proficient in the installation, service, and repair of residential and commercial HVAC equipment.

Requirements:

- Excellent trouble shooting skills are required.
- History of safe work practices.
- NH gas license required, ME gas license a plus. Please do not apply if you do not have a NH Gas License.
- EPA Type 1 and Type 2 Certification.
- NH Oil Heating Technician Voluntary Certification is desired but not a requirement.
- NORA Oil Heat Certifications are a plus.
